Embrace the new normal and operate your business safely with the SwipedOn visitor management system; touch-free sign in for visitors and employees, the ability to ask screening questions, contact tracing at the touch of a button and

SwipedOn features

Embrace the new normal and operate your business safely with the SwipedOn visitor management system; touch-free sign in for visitors and employees, the ability to ask screening questions, contact tracing at the touch of a button and more.

Streamline your front desk

Let SwipedOn take care of those manual reception desk processes so you can focus on safely welcoming visitors and employees into your workplace. Save valuable time registering visitors and notifying hosts while SwipedOn automates these actions.

swipedon

Health and safety aid

Know exactly who is in your building during emergencies and account for everyone using your iPad as a roll call device (this feature works offline).

With SwipedOns evacuation mode, you can improve your health and safety practices. Using SwipedOns timestamp feature, easily carry out contact tracing.

Enhance company branding

We all know that your visitor's first impressions are crucial. Customise SwipedOn at your front desk to reinforce your brand and create the best visitor experience imaginable in your welcome area.

-  Add custom screensaver imagery.
-  Brand it yourself with custom logos and colours.
-  Use company logo on visitor ID badges.

Employee sign in

SwipedOn offers the ultimate digital employee in-out board both on the iPad and, for a touch free experience, via its smart-phone app SwipedOn Pocket. You'll have complete oversight of both visitors and employees in your building.

-  Employee sign in/out.
-  SwipedOn Pocket employee sign in app.
-  Employee directory integrations.
-  Time tracking overview and run custom reports.

AddOns and integrations

SwipedOn offers a range of AddOns and integrations to further streamline processes at your front desk.

ADDONS

Unlimited SMS

PER LOCATION

The simple way to ensure your notifications always get through

-  Best value for high volume users
-  Easy to use, just set and forget
-  Flexibly combine Unlimited and Credits for different locations

Deliveries

PER LOCATION

The simple way to manage deliveries of parcels, food, or just about anything to your reception.

-  Label scanning makes the drop off process fast
-  Delivery log available in your web dashboard
-  Employees can acknowledge collection of delivery from SwipedOn app
-  Control the frequency of notifications

Catering

PER LOCATION

Delight your visitors by offering them a beverage or food or both - upon arrival.

-  Customisable menu allows you to personalize Catering options
-  Make guests feel welcome by offering them food and drink
-  Your order contacts will receive an instant notification with the visitor's order
-  Partner with the local coffee shop next door for seamless Catering requests

INTEGRATIONS

Azure Active Directory & Active Directory

Maintaining a true and accurate record of all your employees takes work, especially if you're trying to do it in several different systems. The SwipedOn Active Directory sync and Microsoft Azure Active Directory integration allow to set and forget, and your employee list is automatically updated.

-  Automatically create new employees in SwipedOn when users are added in Active Directory.
-  Disabled or deleted users are automatically archived in SwipedOn.
-  Easily synchronize additional employee data such as Job Title or Department.
-  Map all your SwipedOn locations to your different offices in Active Directory.

iPads

SwipedOn is supported on iPad Air or later, running iOS 10 or later. For the best experience, we suggest using an iPad 8th generation model.

SwipedOn does not supply iPads.

Secure Stand

Ensure your iPad is safe, while maintaining its sleek modern style with a specially designed stand. SwipedOn has selected hardware partners that offer secure, stylish and functional iPad stands. Available in all iPad sizes and various colours, these stands have a range of mounting and security options.

Printers

Print ID badges for your visitors when they arrive at your reception. SwipedOn supports the following printers: Brother QL810W, QL-820NWB, QL710W or QL-720NW label printers.

SwipedOn does not supply printers or labels.
